Mr. Borrett reported the following matters:-

- 1) Breckland District Council is undertaking a district wide review of its land assets to ensure they continue to be protected, managed and used for the benefit of the communities they serve. All Parish Councils are to be given the opportunity to take ownership of BDC owned land within their parish boundaries and are asked to consider any sites which may be of interest.

- 2) Mr. Borrett is to ask the County Council's view on item 1) and if there are any intentions to do something similar.
- 3) Consultation regarding the local elections due in May, 2026 finishes on 11<sup>th</sup> January. A decision on whether the elections will be held is due to be announced by 15<sup>th</sup> January.

The timescale for the project has been extended. Further information is awaited from Mr. Earle.

### 572 Land Management Matters (item 544)

- (b) Cathedral Ruins Alison Naylor with her colleague, Blake Galloway, from English Heritage visited on the 17<sup>th</sup> December. Present were Mrs. Keeble, Messrs Phillips and Sowinski, and the Clerk. Mr. Julian Duffield also was in attendance for the second part of the meeting. All aspects of the site were discussed. There is a problem with the wall on the right side of the pathway after entering the site. Photographs were taken by the English Heritage staff. No feedback has yet been received so Mrs. Keeble will chase.
- (c) Cathedral Meadows The replacement fencing is to be installed. A payment of £4,344.19 has been received from the Rural Payments Agency but this is £229.04 less than anticipated by Brown and Co. They will be asked to check with the Agency that the amount is correct.

- (h) Church Meadow Nothing to report.

### 573 Allotments (item 545)

Mr. Phillips reported that there is one plot remaining to be let.

## **574 Street Lights (item 546)**

Mr. Markwell had investigated the possibility of changing the street lights to a LED solar powered version. The cost would be £2K per light, (£212K in total). This was regarded as an unrealistic option. The Clerk had continued to discuss the prospect of a new contract with Drax for the provision of electricity. It was estimated that the usage for the year would be 10,256.4 units which would result in an annual charge of about £2,900 (before VAT), or £250 per month. It was stressed that the monthly cost would be higher in winter with lower figures being seen in the summer months. The VAT applied would be 5% for usages of less than 1,000 units per month and 20% if the monthly usage exceeds 1,000 units.

## **575 Highway Matters (item 547)**

The payment of 50% of the cost of the Village Gates (£3,113.33) is awaited from Norfolk County Council. Two blocked drains in Church Hill and Eastgate Street are to be reported. Two parish owned bins (at Cathedral Drive near the bridge and in Elm Close) are out of salt and are to be replenished.

## **576 Pavilion and Playing Field (item 548)**

Miss Ferris had chased the Football Club after the last meeting asking for the pool table to be moved from the building and the items on the Parish Council notice board to be reinstated. It was disappointing to note that no positive action had been taken to comply with this request. It was also apparent that four containers had been deposited in the room and some old goalposts still remained in the corner of the field. The Clerk is to send a further request to the Club asking for the appropriate action to be taken. Failure to comply will result in a fee being charged (£250 suggested) to cover the unnecessary extra work and inconvenience. Thanks were expressed to Mr. Sowinski for all his work with the Christmas lights and the invaluable assistance provided by Power-Medix Ltd.

## **577 Eastgate Centre (item 549)**

Nothing to report.

## **578 Brookside Development update (item 550)**

Nothing to report.

## **580 Overview of Parish Council financial situation (item 552)**

Mr. Rayner said that a resident from Back Lane had expressed concern about the site near there being developed. Another consultation (Regulation 19) is to be held

## **582 New Village Hall (item 555)**
